

West Coast Florida Marriage License Requirements

The legal age for marriage in Florida is 18 years old. Couples under 18 must have parental consent. Florida residents have a required three-day waiting period. The bride and groom must present a valid photo ID to obtain the marriage license, which is valid for 60 days.

There is no waiting period required for out-of-state residents. Residency or blood tests are not required. Both the bride and groom must apply for and sign the license together. There is a fee of \$93.50 (methods of payment vary), which can be reduced upon completion of a premarital course (ask court for details). If either the bride or groom has been previously married, he or she must present a copy of the divorce decree or death certificate. All offices are open Monday through Friday. Call ahead to get all of the details.
